NEGRO ANTI-SEMITISM

Official Publication of the American Nazi Party

THE ROCKWELL REPORT is published fortnightly by the American Nazi Party at 928 N. Randolph St., Arlington, Virginia, U. S. A. Single copy, 50¢. One year, mailed first class in plain, unmarked envelope, $10, Air Mail, $11. One month, $1. Clippings welcomed.

Every right winger knows how greatly the Jews fear wide spread knowledge that Communism and race-mixing are Jewish. That's why so many right wingers spend so much time and effort trying to "educate the people."

But one of the major premises of the American Nazi Party is that MILLIONS of Americans are already aware of the treasonable and race-mixing activities of the Jews. We believe -- and are proving -- that it is actually only fear which keeps White Americans PRETENDING that they are ignorant of the Jewish question, and even pretending to love Jews and believe all the Jewish garbage about brotherhood and race-mixing. It is only because the vast majority of these enlightened White Americans have so much money, luxury, and "security," -- ALL OF WHICH IS DEPENDENT ON JEWS -- that most White Men are forced to be "for" the Jews and "against" anti-Semites.

Our battle is planned not for today, when the White man has two cars, a power lawnmower with a little seat for his lardy bottom, bathrooms with hi-fi and all the rest of the easy living of today's White American, but for the inevitable day when our phoney, debt-ridden, war-scare and "foreign aid" economy blows sky-high. When that day comes, as it must come, the White man will no longer be afraid. The Jews are not a people of force but a people of conspirators, secret terrorists, and, most of all, buyers and sellers.

In short the Jews in our present phony, luxury economy have either bought or are economically terrorizing most Americans. When Americans have nothing, they will also have nothing to lose. The millions who are already enlightened as to the character of most American Jews and who therefore understandably hate most of them for their promotion of Communism, race-mixing and the moral subversion of our people, will turn on their Jewish "friends" with a deadly vengence the moment they no longer are shackled by the golden chains of the Jew and no longer have anything to lose.

Thus, it is as a potential threat rather than as an IMMEDIATE danger that the Jews fear the American Nazi Party. Both we and the Jews know that neither the American Nazi Party -- nor any other strong right-wing movement -- can win any real mass following as long as Americans are rich and fat.

BUT THE SITUATION WITH AMERICAN NEGROES IS ALREADY DYNAMITE FOR THE JEWS.

It is only by using and manipulating the ignorant and childish Negro masses that the Jews have been able to move into "legal" national power in our federal government. By dividing the White people into two evenly balanced "teams" of "Republicans" and "Democrats", with no genuine ISSUES between them, the Jews have completely prevented any discussion by the American people of the REAL issues of race, Communism and the rotting our of our White Western culture by Jewish merchants of vice. By keeping America's tens of millions of White voters preoccupied and squabbling over political spoils and, most of all, SELFISH ECONOMICS, in which the rich reactionaries seek to eliminate taxes while the Marxist machine continues to "spend and spend and spend, and elect and elect and elect," the Jews have very cleverly managed to get each American to cancel out one other American's vote. There are just about as many White Republicans as White Democrats. By creating and manipulating a solid-block Jewish and Negro vote, which, so far, has ALWAYS voted on the side of Marxism, race-mixing and the utter destruction of White Western American culture, the Jews have subverted our government from a republic to a disguised social-democratic Jewish tyranny. They presently stand almost unopposed.

In this situation, the loss of 18 million Negroes would be an immediate and fatal catastrophe to Jewish domination of our nation and race.

And in the last two or three years, the NEGROES ARE BECOMING "ANTI-SEMITIC" BY THE MILLIONS!

Even more important, THESE JEW-WISE NEGROES ARE ALREADY AT THE BOTTOM OF THE ECONOMIC PILE AND HAVE LITTLE OR NOTHING TO LOSE BY FIGHTING THE JEWS WHOM THEY FINALLY BEGIN TO REALIZE ARE EXPLOITING AND USING THEM!

Thus, unlike the White "anti-Jewish" movement, which is stalled because most Whites are bought and paid for, or terrified by Jewish press power of smear, the NEGRO anti-Jewish movement is a most deadly and immediate threat to the Jewish manipulators.

In every black ghetto in America, the owners of the roach and rat-infested tenements who gyp the Negro occupants out of relatively fantastic rents are JEWS! The ruthless dealers in vice, who sell the Negro liquor, dope, gambling equipment, and other marks of Negro degradation are MORE JEWS!

The owners of the grinding sweat shops which cruelly exploit Negro workers are STILL MORE JEWS!

The stores along the black "Main Streets" of America, which high-pressure Negroes into buying millions of dollars of rotton, trashy and high-priced merchandise on "easy payments" and then garnishee their miserable wages in the local municipal courts are again MORE JEWS!

As childish and slow-witted as most Negroes are, this rapacious exploitation of America's Negroes by Jewish parasites and manipulators simply could not go on forever without the Negroes beginning to catch on.

As most of our leaders and followers know, we have men in jails and prisons all over the country for trying to demonstrate against communism and race-mixing. (We have even considered putting out a sort of "Duncan Hines" guide to the jails of America for our stormtroopers.

One of the best places to learn what is going on in the lowest strata of society is in the jails. Regardless of the common, (and often well-founded) belief that only scum and criminals are in jails, we know from experience that many men are in jails mostly because they have too much of the heroic spirit of the White man to bow down forever to our disgusting Jewized and Negroized society which makes all economic crimes "legal," while making any direct spoilation of the Jew-economic pirates, for instance, a brutally punishable crime. Furthermore, although we will doubtless be blasted again as "nigger lovers" for saying so, I know from personal experience that hundreds of Negroes, as well as hundreds of White men, are in jail simply because they are poor, ignorant and unable to defend themselves in our courts. You don't find many rich men, criminal or not, in jails or prisons.

As a result, in the jails and prisons one can learn at first hand and with most scientific accuracy, how the poorest and most oppressed people in America feel.

Two years ago, three of our men did over 30 days in Philadelphia before they were tried and found not guilty for trying to picket "Exodus". During those 30 days, they were brutally treated by the Negroes in the prison -- both guards and inmates.

Last week, we succeeded in bailing S/L Bob Sharp out of Philadelphia's Moyamensing Prison, where he has been "awaiting trial" for more than four months (for trying to picket a demonstration and speech in Philadelphia by commie boss, Gus Hall).

Amazingly, Sharp reports that the attitude of both Negro guards and Negro inmates of Moyamensing, has now changed almost 180 degrees in those two years.

During that time, Elijah Muhammad's Black Nationalist Movement has been winning tens of thousands of Negroes by pointing out to the blacks what utter suckers they have been for the Jews and Communists who have been winning their votes by promising them plenty of "brotherhood" and "race-mixing" while ruthlessly exploiting them politically and economically and while keeping integration a chimera which is always just over the horizon.

The Honorable Elijah Muhammad, Malcolm X and the other Muslim leaders have been tirelessly blasting these Jew liars and exploiters all over America. I have been to their rallies and have heard them telling the truth about the Jews with my own ears. I have spoken at their Chicago Convention and was cheered when I blasted the Jew liars and exploiters. More and more, the Negroes are becoming aware that the Jews, far from being their friends, are their most deadly enemies, while the Nazis and the Southern White men, who don't pretend to want to mix with them, tell them the truth and are not hypocrites, are actually their only working allies.

The warden of Moyamensing Prison is a Jew, Solomon Bookbinder. But most of the guards are Negroes and, since our first batch of men suffered brutal persecutions in there two years ago, these Negroes have learned enough about Jews, either by themselves or through Elijah Muhammad, that they finally realize which way the wind is blowing.

Instead of hurting and persecuting our men in Moyamensing Prison this time, the blacks who hold the very lives of our men in their hands, are going out of their way to be decent and friendly to our brave lads! Sharp reported that, after the first two weeks in that jail, the Jew warden, Bookbinder had our men put in "deadlock" in their cells because we were winning the White prisoners to Nazism and the black inmates and guards for Elijah Muhammad at a fantastic rate! One Negro prisoner was told that his Jewish employer had come down to bail him out but he refused to accept bail! He explained to our men that he knew why the Jew had come down there to get him out.

"I do the work of three or four men for that Jew for almost nothing," he said. "I'se better off in here. It's the first time off I'se had in two years!"

Sharp said that the Negroes, both guards and inmates, were almost rabid on the subject of Jews and openly recognize that the Jews are after them only for their votes and their money!

THESE MILLIONS OF UTTERLY POVERTY-STRICKEN NEGROES, WHO HAVE NOTHING TO LOSE, AND WHO ARE BECOMING INCREASINGLY WISE TO THE JEW EXPLOITERS ARE THUS NOTHING LESS THAN A NIGHTMARISH HORROR TO THE JEWS!

That is the reason for the current all-out campaign to discredit and/or infiltrate the Black Muslims -- the only black group of any significance which is NOT LED BY JEWS.

And on the other hand, therefore, the Black Muslims are one of the most hopeful things for the White Race to appear on the political scene in the last 50 years. One of the most vicious smears in a long time was the recent lie against BOTH the Black Muslims and the American Nazi Party in Parade Magazine by Jack Anderson (a stooge for Drew Pearson) that the American Nazi Party is supporting the Black Muslims with secret contributions. This lie has the "merit" (from the Jew point of view) of hurting both the Muslims and us. Believe it or not, I have had letters from supporters, who should know better, blasting us for "sending their money to the niggers"! At the same time, I am sure that the Muslim leaders are getting blasted by some of their followers for being stooges of the Nazi "White Devils."

To digress for a moment, while I am on the subject of these Jew lies, it is somewhat discouraging to note the number of people who claim to be "Nazis," or at least wise to the Jews and their lies, but who, nevertheless, are the worst kind of suckers for every Jew lie that comes along. The worst example of this I have seen so far, was the nice elderly lady supporter who saw the Jew representation of me on the TV program, "Naked City," in which a lovable old Jewish man came to shoot me and, while he held the gun (in this Jew TV drama), I groveled and begged for mercy. This wonderful old Jew lowered his gun in disgust and pity, whereupon the Jew actor, pretending to be me, had the nice old man grabbled by a couple of ugly, bully-boy stormtroops (also played by Jews), while I mercilessly beat and pounded the helpless old man.

Our elderly lady supporter wrote me a letter bristling with outrage and indignation and announced she was cutting us off from all further support after seeing that "documentary on TV" in which I beat up that poor, helpless old man"!

The Jewish answer to growing Negro anti-Semitism has been a campaign by the big Jews to dicipline the thousands of little Jews who have been so brutally grinding the Negroes and thus exposing the Jewish hand together with a simultaneous campaign to infiltrate and emasculate the Black Muslims.

They have had little or no success trying to make the Jew hockshop operators, liquor dealers, dope peddlers, sweat-shop operators, etc., quit sucking the marrow out of the inhabitants of black ghettos. But the second campaign, to blast and infiltrate the Muslims has, I am sorry to say, has some effect.

Early issues of the Muslim paper, "Muhammad Speaks," were loaded with blasts and exposures of Jewish domination of the NAACP and CORE and our media of public information and entertainment. Particularly, some of the extremely clever cartoons by "Eugene 3 X" looked almost as if they came from "THE STORMTROOPER" or "Der Sturmer." There can be no question but that the top Muslim leaders are still thoroughly aware of what the Jews are doing to both our peoples -- black and White. But recent issues of "Muhammad Speaks" have lacked this forthright approach to the Jewish problem and, in an apparent effort to win as many Negroes as possible, the Muslim leaders have been beginning at least tactical cooperation with the Jew Communist-dominated NAACP, CORE and individual black marionettes of the Jews, such as Paul Zuber, for instance.

There is, of course, some danger that the Muslim leaders will be so anxious to make rapid gains in the Negro community that they will make fatal compromises with the scheming Jews and their trained-ape NAACP and CORE stooges.

If this happens, it will mean the end of the Black Muslims and they will soon find the clever Jews running them too, just as the Jews run the NAACP and CORE, not for the benefit of the Negro, but to put and keep Jews in political power.

Personally, I believe that the signs of cooperation between the Muslims and the black Jew stooges are simply indications that the Muslims are growing so fast that it is impossible for the top leaders to insure that all of the sub-leaders thoroughly understand and preach the doctrines of leaders of the stature of Elijah Muhammad and Malcolm X.

I shall do all in my power not only to warn the Muslim leaders of the deadly danger in trying to cooperate in any way with the Jew manipulators who are desperately seeking to infiltrate the up-and-coming Muslim Movement, but to convince right wing and White Men's organizations that our only hope of actually SOLVING America's nightmarish race problem, lies in HELPING and encouraging the Honorable Elijah Muhammad in his efforts to separate geographically from the White man.

Were we to offer America's Negroes, who were dragged here against their against their will, only half of the billions of dollars now poured out in "foreign aid" TO COMMUNIST AND PRO-COMMUNIST ENEMIES all over the world, Mr. Muhammad could quickly sign up many millions of wretchedly unhappy, poverty-stricken Negroes, who would be more than grateful for a fresh start under decent conditions ON THEIR OWN LAND in Africa!

If we can set up fantastic programs of "aid" involving billions of dollars to cannibals and Communists, what is so crazy about using these billions to take care of OUR OWN NEGROES FIRST and to solve completely, totally, and equitably our frightening race problem at the same time?

I will admit it is possible that the Muslims might be turned to the left by the Jews so that eventually the Negroes will become such a deadly menace in their desperate frustration that we will, God forbid, have to fight them to the death. If they cannot be separated from us geographically, I am sincerely convinced that we will either have to accept mongrelization or annihilate them.

But I believe just as deeply that men like Elijah Muhammad and Malcolm X have shown such qualities of leadership and -- yes -- statesmanship, that both races will teach the scheming Jews a lesson.

I believe that most Americans now living can see the day when shipload after shipload and plane-load after plane-load of grateful and happy black men will be on their way out of America and toward a truly great destiny of their own as the statesmen and leaders who will bring order and a real chance at long last to an Africa now torn ruthlessly between Zionist, capitalist imperialists and Jew Communists.

I believe that someday, an all-White America will read gratefully in its history books, the names Elijah Muhammad, Malcolm X and the other Muslim statesmen, who will have accomplished an almost miraculous solution to one of the most fearful and explosive problems in all human history.

JEWS LIE! EVEN TO THEMSELVES

There is no worse mistake in strategy than underestimating the enemy.

Yet the very paranoia which drives the Jews to preach that they are "God's Chosen People" and to set up"Anti-Defamation Leagues", forces them to keep kidding themselves that everybody loves them.

Recently, in Germany, the Jews took a poll of the Germans to see how many were "Nazis". The Jew papers are gloating that only 5 per cent or so of the Germans openly admitted they would vote for a Nazi, -although they are moaning that 16 per cent said they were "undecided".

Think about that!

In spite of the unbelievable persecutions meted out to all "Nazis" they can discover, the Jews still find five out of a hundred Germans willing to say openly that they would vote for a Nazi!

Actually, my information clearly shows that more than SEVENTY percent of the Germans, if given the chance to do so in safety, would enthusiastically vote for a "Nazi" right now, if they could. More important, millions of Americans could be counted on to vote "Nazi" right NOW, -IF they could do so without losing their jobs and social status.

It is not only in Germany that the Jews are so desperately deluding themselves.

They have made loving Jews publically the very test of financial and social success, and the sine qua non of political and public relations "success". With Jews bruatlly controlling all media of public information and entertainment, only a damned fool would imagine he could succeed in any American endeavor while publically espousing "anti-semitism".

Yet the Jews regularly reassure themselves in their paranoiac publications that Americans actually DO love Jews, -because Americans pusilanimously and cynically ANNOUNCE they love Jews because they love money and success, and know that these things are dependant on a public pose as "friends of the Jews".

What Gentile is not aware that almost EVERY Gentile privately groans and curses the "Hebes" and the "Kikes" whenever he feels secure and among friends? What Gentile does not try to pick a "restricted" hotel or inn for his vacation, when he can?

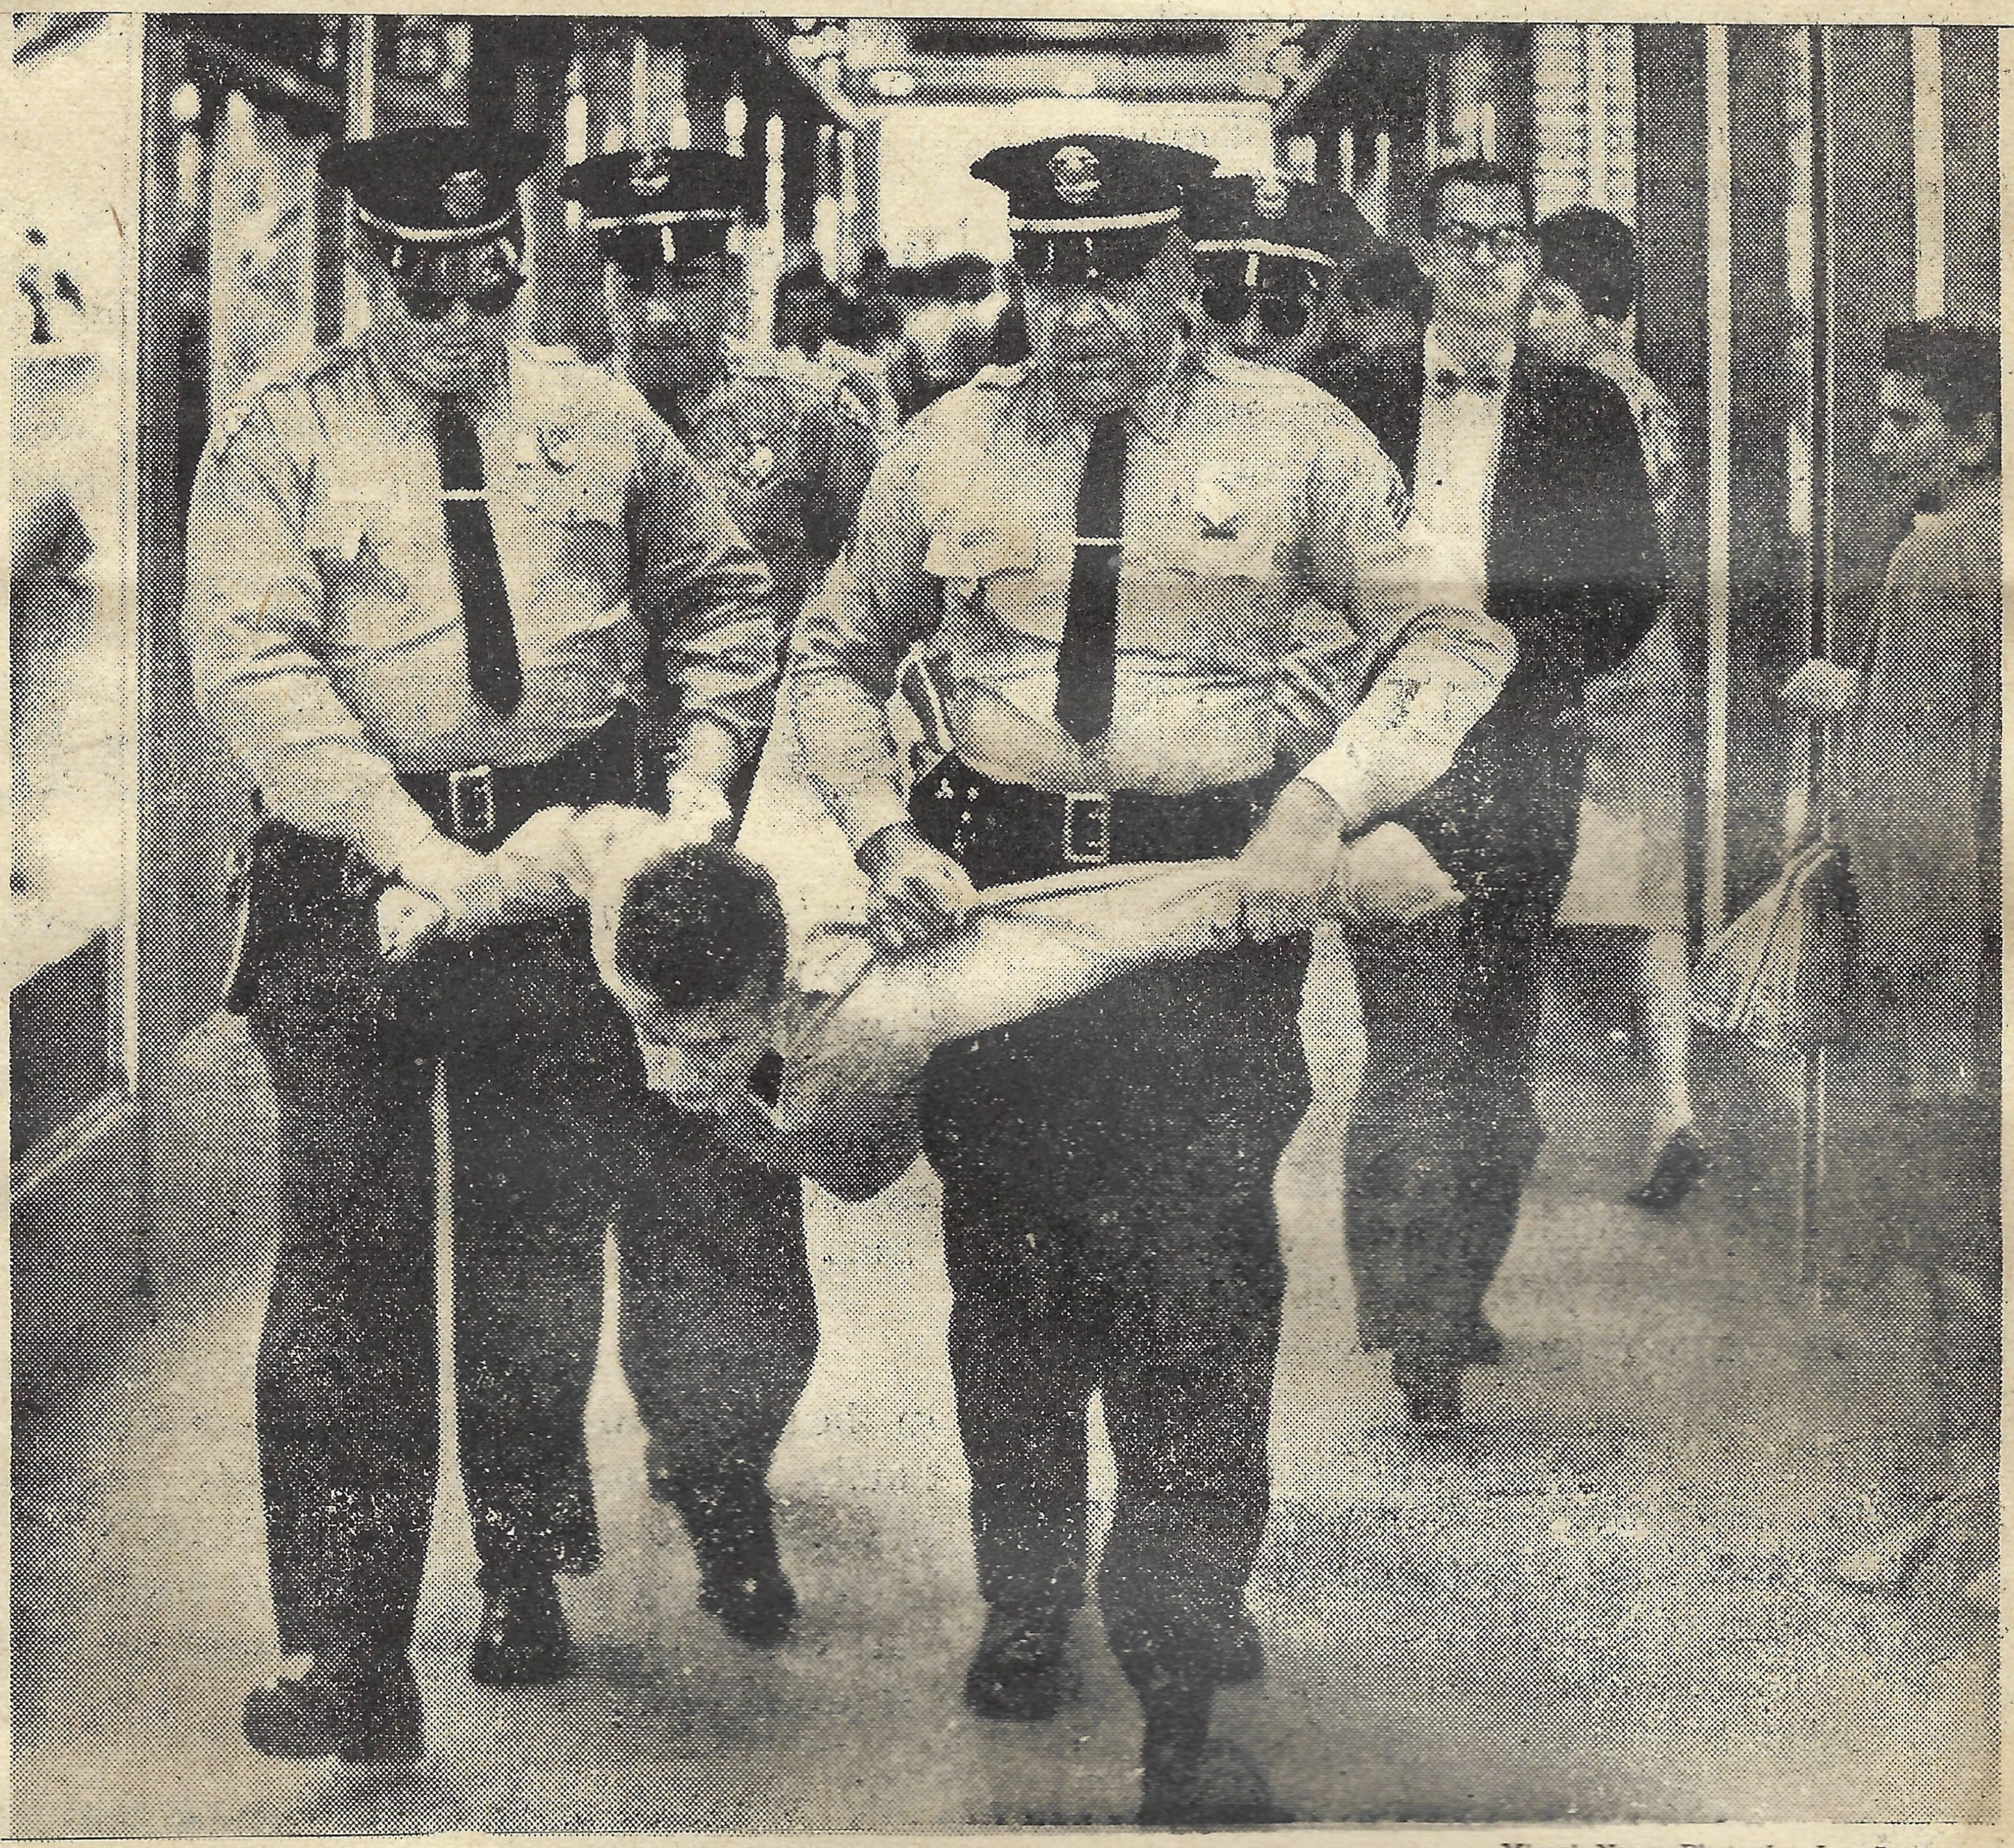
When student groups ask me how come we have such a small public membership, I always ask them to imagine what would happen to any of them if they suddenly became convinced that I were right and they should become Nazis. They see the point in a flash, as I can see by the looks on their faces.

What the Jews have done is exactly what the Church did hundreds of years ago when they declared it a "crime" to believe what Galileo and Copernicus were preaching, -that the earth was not the center of the universe. A poll of scientists of the time would doubtless have shown that the Church's campaign was thoroughly successful. People who are willing to be burned at the stake for the "truth" when it is so much more safe and successful to "believe" a lie are unfortunately very rare.

I doubt if a poll of Romans would have turned up many open "Christians". Nevertheless, the Christians made it. Their persecutors didn't.

Neither will the Jews.

‘PROTECTIVE’ CUSTODY!!



Miami News Photo by Jay Spencer

Police Protection – Guaranteed!

American Nazi David Howard Peterson, 21, is carried from the Seybold Building today where he picketed the office of the Anti-Defamation League of B'nai B'rith. Detective Sgt. Charles Sapp said Peterson, of Minneapolis, was taken into protective custody because of the attitude of the large crowd that had gathered. The officer said there would have been violence if Peterson had not been removed. The young Nazi was questioned at Miami police headquarters and released.

Whenever the Jews can't find any other way to shut us up and get us off the streets, they have the cops take us into "protective custody".

We are very grateful to the Miami Police Department for "saving the life", recently, of 110 pound Dave Peterson, who was trying to picket the Anti-Defamation League of B'nai B'rith to point out their sins and red taint. Four of the biggest officers on the Miami force, acting in the finest traditions of the Jewish Stern Gang, seized tiny Peterson, who was all alone, and tenderly carried him to a ready and waiting paddy wagon into which he was thrown gently from a distance of ten feet.

We have now opened up a headquarters in Jew-occupied Miami, and Mr. Peterson, along with reinforcements will be back again.

It will not be long before the Police will be obliged to start taking the JEWS into "protective custody" after a few more Gentiles have had enough of Jew oppression, hate and tyranny in Miami, and join up with us to liberate this unfortunate Jew-infested canker sore in our America.

WHAT SOVIET ANTI-SEMITISM?

Current rumors and "theories" circulated by the left and some segments of the "right" to the effect that the Soviet Union has suddenly become "Anti-Semitic" are pure and simple hogwash. The facts clearly show that everything is still just rosy for the kikes in Soviet land.

Any doubters can ponder these facts:

Over 7,500 Jews occupy posts as deputies in local government bodies in the U.S.S.R., and the Dputy Premier, right under Khrushchev, is Veniam Dymshits, a Jew.

Other outstanding Jews occupying high positions in the U.S.S.R. are:

M. B. Mitin, Chairman of the powerful Department of Political and Scientific Education (setting down the Party line) of the Communist Party, U.S.S.R.

Jacob Kreizer, Soviet General and current Commander in Chief of all Soviet forces in the Far East, and member of the important Central Committee of the Soviet Communist Party.

David Dragunsky, Soviet General and current Commander of all Soviet forces on the European Front.

Ilya Ehrenburg, top Soviet propagandist and the dean of Soviet writers, who recently stated emphatically that the Soviet Union is ruthlessly opposed to anti-Semitism.

Hence we see Jews entrenched in the most sensitive Soviet posts, in the military and propaganda positions.

In the Soviet Union today, 15 percent of the doctors, and over 10 percent of the writers and lawyers are Jews, yet Jews comprise only 1.1 percent of the total population. Jews rank third in the number of students currently attending Soviet universities.

Yiddish is still spoken fluently by 20 percent of Soviet Jews. These consider it their native tounge, something that would hardly be allowed in any Anti-Semitic state.

In the sciences in the U.S.S.R. some of the first names one runs across are those of Academicians Lev Landau, Alexander Frumkin and Benzion Wul -- all Jews.

In denying Soviet "Anti-Semitism", Khrushchev stated in Vienna in 1959 that "half the members of the Soviet Presidium have Jewish wives."

The Berkshire Daily Eagle, the daily newspaper published in Pittsfield, Mass., recently ran an interview with a Harold J. Berman, a Jewish professor at Harvard, who had just returned from the U.S.S.R. Said Berman: "I have been in the Soviet country for one year and have not seen any manifestation of Anti-Semitism."

The same story holds true among the Soviet satellites. A prime example is East Germany, where the following Jews are in positions of great power:

Hilde Benjamin, Minister of Justice (Courts); Curt Cohn, Director of East German Supreme Court; Albert Norden, Secretary of Central Committee of Political Bureau of Communist Party (sets Party line); Herbert Gruenstein, State Secretary of Ministry of Interior (Police, Malitia); Gerhard Eisler, Propaganda Minister; Herman Brusch, Editor of "Nues Deutchland," officicial Communist organ; Hans Wolfe, head of the Central School of the Communist Party; and Hans Nathan, dean of Law Faculty at Berlin's Humboldt University.

It is also significant to note the long list of of Israli Jews, who sprang to the defense of convicted Soviet spy, Morton Sobell, himself a Jew. Around July 10, 1962, 35 Israelis, all holding high and influential positions, petitioned President Kennedy to release the convicted Soviet spy Sobell.

And even in Cuba, the man behind Castro is Abraham Zincowicz, a Jew, now using a Spanish alias, who has been the special agent of the Comintern in Latin America for over two decades.

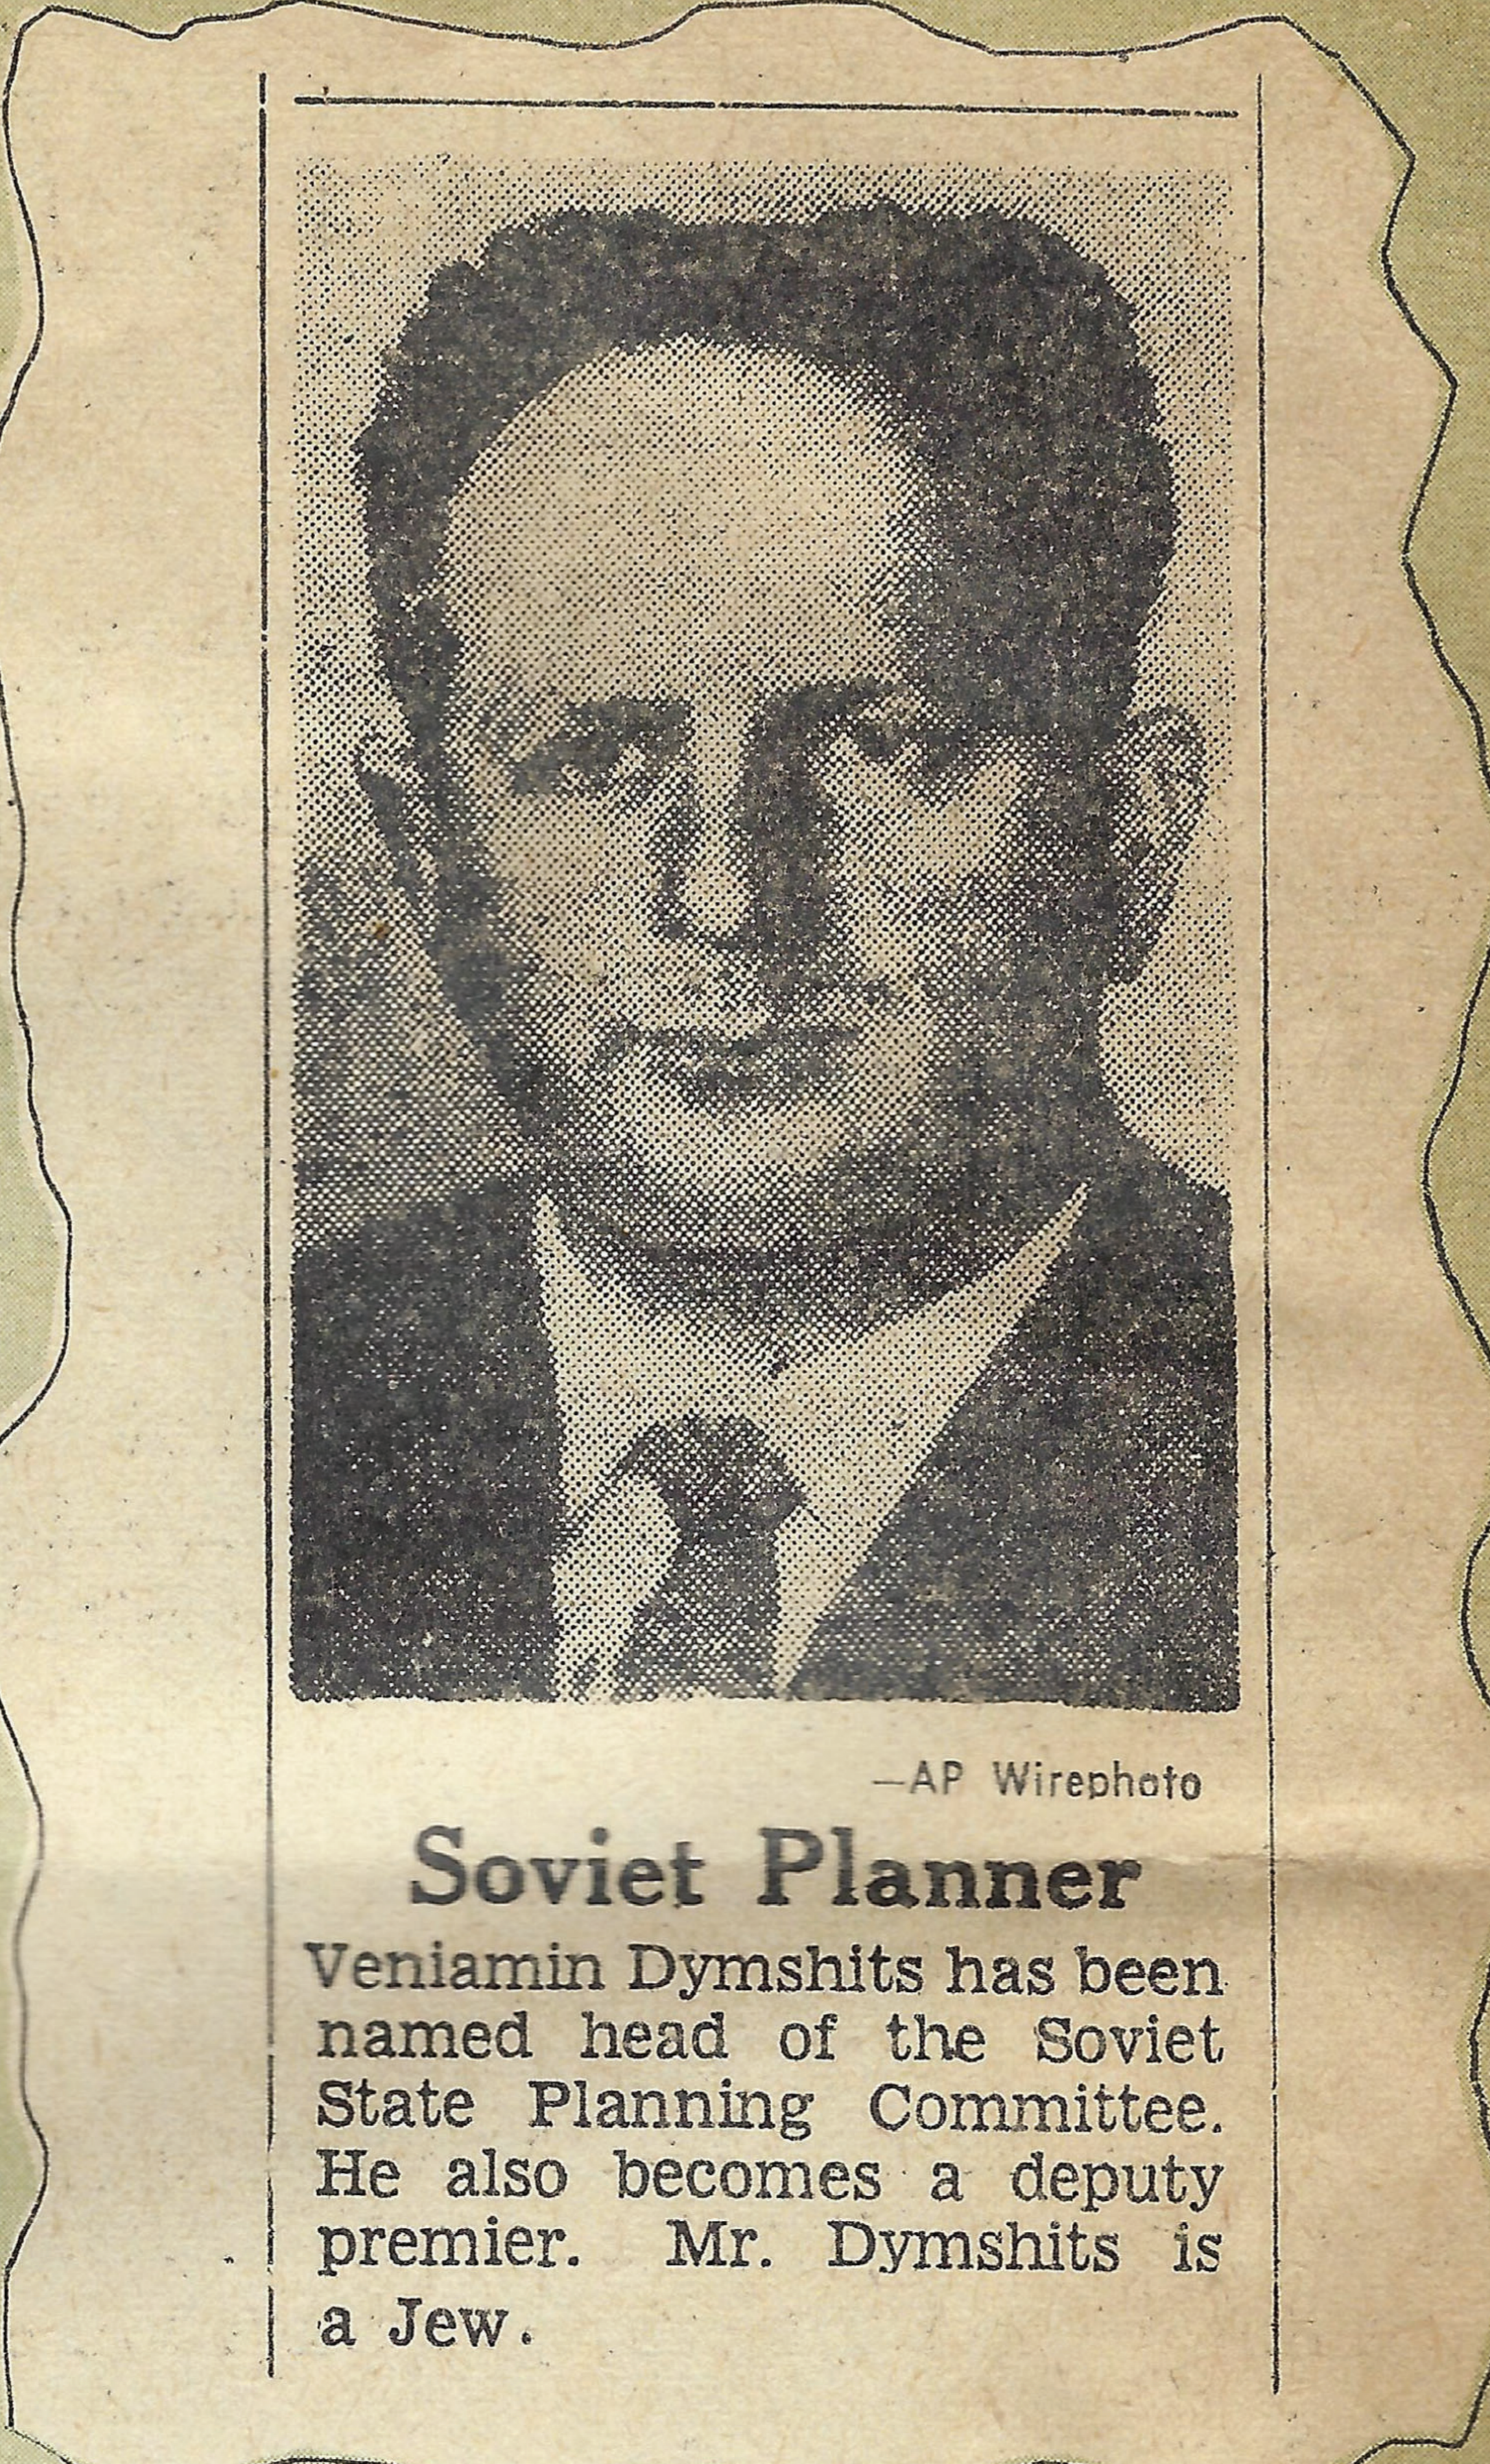
A CROCK OF DYMSHITS



—AP Wirephoto

Soviet Planner

Veniamin Dymshits has been named head of the Soviet State Planning Committee. He also becomes a deputy premier. Mr. Dymshits is a Jew.

The dreadful "anti-Semites" in the Kremlin have appointed as the number two man, right under Khruschev, a Jew with the liquidly delicious name of Dymshits!

This reminds us of the story about the Jew named Finklestein who went to court and had his name changed to Mike Murphy. A week later he was back in court asking to have it changed back to Finklestein. When the judge asked why, the Jew replied, "every time I tell somebody mine name is Murphy, they always esk me, 'Vot vas it before it vas changed?' "

If ever a Jew needed a new name, it is poor Mr. Dymshits!

Even Izzy Lipshits, (Walter Winchell) had the decency not to run about the streets openly with that awful "Lipshits". But Damsh --oops! DIMSHITS!

The whole thing shows how the poor Jews are persecuted! Even their names are vile and repulsive!

Who among us would not be filled with hate if he woke up in the morning with names like "Gutzman", "Blatzenbagle" or "Lipshits" hanging off of him?

In spite of these terrible names, the Jews simply HAVE to keep getting into the act, even when it louses up the "anti-Semitic" act the Kremlin is currently putting on to save other Jews in Western Countries.

But DIPSHI---oops! DYMSHITS!

Couldn't they have found maybe a "Cohen" or a "Goldberg"?

After ALL!

DUMBSHI---Sorry again!

Dipsh--er, -DYMSHITS!
